Please keep in mind that the hotels may not have but 2 or 3 cots.  
 Please keep in mind that we need to try and place 4 athletes to a room...when it is vital for a coach to be in  
 the room with the athletes...then have 2 athletes in one bed and 1 coach in the other bed...  
 (Please try and have 2 coaches in the bed, to have a total of 4 people in a room)
