Guidelines

Phase 3

- Social Distance during group trainings
- Coach maintains social distance during instruction
- No contact in body placement or demonstration of skills
- Training may be with 50 people or less
- Smaller groups of 6 to 8 should be observed in rotating from stations
- No shared water, towels, equipment, bags, shoes, clothing
- No hydration stations
- If possible, clearly mark separate Entrance and Exit for gym/space
- If possible, doors should be opened to lessen common contact points on door handles and bars
- Station/event specific work should be scheduled so that athletes do not gather closely together or have unnecessary cross traffic
- Coaches should consider use of gloves for personal contact and spotting when necessary for the safety of the athlete, with a goal of switching gloves between athletes
 - No group stunting work allowed, this precaution of spotting is if athlete needs help while performing something such as a split or cartwheel
- Spotting remains important element for safety, coaches can consider alternative teaching options that align with social distancing
