Individual Skills	Slight: Phase 2,3,4
Team Play	Moderate: Phase 3,4

Guidelines

Phase 2

- Social Distance during group trainings
- Coach maintains social distance during instruction
- No contact in body placement or demonstration of skills
- Specific training groups remain small (10 or less) and consistent
- If a larger group, choose different nights or times to train
- No shared water, towels, equipment, bags, shoes, clothing
- No hydration stations
- Use marked softballs for each specific person to train with a unique mark for them
- Station work should be spaced accordingly to not have athlete groups come in contact with each other
- Athletes should retrieve the softball if possible after each attempt at a skill
- If not, volunteers should have disinfecting wipes to continuously clean the equipment and return to the athlete by placing ball on the ground, not directly to them
- Each athlete should complete the station requirement before the next athlete attempts
- Skills groups should be no more than 4 at a time participating in a station
- Timed skills should be timed on individual phone
- Base running stations should not incorporate sliding
- Each player should bring own bat, glove and helmet with specific name or initials marked
- Dugout should not be used, players can rest or sit on bleachers
- Bags should be hung on the fence line of the field spaced 6 feet apart
