Dear Friend

On behalf of more than 30,707 athletes of Special Olympics South Carolina we want to thank you for your gift of \$00.00. Your support will help provide year-round sports training and competition for people with intellectual disabilities. The Law Enforcement Torch Run and its sponsors have enabled Special Olympics to achieve many program goals throughout the year, including:

- Issuing hundreds of Coaches' Certifications to Special Olympics volunteer coaches, recognizing the completion of sport specific training designed for coaching individuals with intellectual disabilities.
- Hosting Spring Games in nearly every county in South Carolina. Spring Games give athletes the chance to compete in front of peers, classmates, friends, families, supporters, and communities.
- Hosting 65 Area Qualifier, Series, and Invitational events, competition opportunities for athletes from regional areas throughout the state.
- Hosting five state-level competition events for more than 3,000 athletes competing in bocce, bowling, equestrian, golf, roller skating, soccer, tennis, skiing, basketball, cheerleading, swimming, track & field, volleyball, softball, gymnastics, sailing, kayaking and power lifting.
- Training new Global Messengers, Special Olympics athletes who have completed training in public speaking to become spokespersons for the Special Olympics movement.

Thank you for the many opportunities made possible by your commitment to Special Olympics.

With kindest regards,
