

Return to Play-VOLUNTEERS

Set-Up:

- Before setting up or doing anything, make sure to wash hands/use sanitizer
- Make sure your mask is on at all times
- Sanitize check-in area, training area and any equipment you know will be used
- Put up signage, including:
 - Enter/Exit
 - Drop-off/Pick up
 - 6ft markers to help with distancing
 - Reminders for no physical contact, no sharing equipment, no eating during training, wash hands/sanitize and cough/sneeze into elbow or tissue
- Make sure check-in table is supplied with masks, disposable gloves, hand sanitizer as well as a thermometer
- Set up waste disposal/trash can next to check-in for easy access to dispose of anything
- Communicate with coaches or other volunteers to make sure there is someone to sanitize the area and equipment after the practice/competition is over

During training/event:

- Remind athletes and participants to keep their masks on and wear them properly
- Remind everyone to sanitize throughout practice
- Make sure social distancing protocols are being followed
- Make sure everyone enters/exits through the proper way marked by signs
