TRUCK CONVOY

FOR SPECIAL OLYMPICS
SOUTH CAROLINA

***NEW LOCATION!**

SOUTH CAROLINA

REGISTRATION PACKET

On Saturday, August 24, 2024, join the compassionate army of truck drivers, as law enforcement officers escort the Truck Convoy for Special Olympics South Carolina across the highways of South Carolina to raise awareness and funds for Special Olympics athletes while changing attitudes toward people with intellectual disabilities.

The Truck Convoy[®] is a national celebration of the trucking industry and its support of Special Olympics.

Truckers will meet at the grounds of the **South Carolina Fairgrounds (862 Bluff Rd., Columbia)**, and will be escorted North then back South, on I-77 in Columbia. On return to the State Fairgrounds, they are welcomed by Special Olympics athletes, families, friends, colleagues, law enforcement officers and supporters that make up the trucking industry. A lunch celebration and activities will be followed by an awards ceremony held to recognize participating truckers and their support of the trucking industry and Special Olympics. Whichever form the celebration takes, the message is the same: ***“Thank you for your support of Special Olympics athletes and for keeping our communities moving!”***

Families of all participants are welcome to share in the celebration and free lunch!

Inspired by the powerful impact Special Olympics has had on his life through his participation in the Law Enforcement Torch Run,[®] combined with his job duties as a State Transport Police officer and respect for the trucking industry, Mike Still, retired Sergeant with the SC Transport Police and Special Olympics SC LETR Liaison, organized the Truck Convoy, a one-day celebration of the trucking industry to help raise awareness and funds for Special Olympics South Carolina. He sought out help from his friend, a 2nd generation professional trucker, Tim Cooley, and together the unlikely pair formed a group of DOT officers and Truckers who have taken up this great cause for Special Olympics.

Vehicle Types Allowed:

Semi-trucks, truck/trailer combination, large trucks, low-boys, dump trucks, flat beds, buses, large tow trucks, large box trucks, etc. All trucks entering the convoy must be of 10-GVW or larger.

The “Lead Truck” will be determined the day of the Convoy. Please let Mike or Tim know you would like to BID to be “Lead Truck”.
